Mr. Jimmie N. Lawrence

Dear Mr. Lawrence:

Please excuse our tardiness in sending your National Coin Week, 1969 first place plaque to you. Many of the plaques were taken to the ANA convention in Philadelphia in August for personal presentation, yours among them.

We were very sorry you were not present at the convention as we had thought. However, kindly accept our congratulations again and this plaque for your achievements and dedication to the promotion of numismatics.

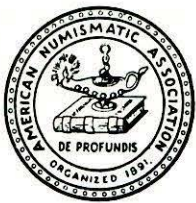

Sincerely,

EDWARD C. ROCHETTE

Dear Club Members:

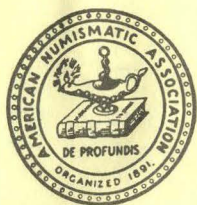

First, I wish to apologize for this belated congratulations on your club's winning First Place in the Class A Division in National Coin Week competition. The sending of a formal acknowledgment before this date was overlooked by me.

This year's competition was by far one of the hardest to judge and its effect was far more reaching than in prior years. The humanitarian benefits as far as the Food and Agriculture Organization of the United Nations is concerned was immeasurable. That FAO and ANA were able to cooperate to the extent that they did was most fortunate. On behalf of the Board of Governors and all members of ANA, I want to express my appreciation for your hard efforts and again, my congratulations.

Sincerely,
